CHILDREN'S PROGRAMMING

Unitarian Universalist Fellowship
of Northern Westchester
Mt. Kisco, NY

First Unitarian Society
of Westchester
Hastings, NY

SUNDAY MORNING

Throughout the year, Mt. Kisco and Hastings hold whole congregation worship Sunday mornings, 10:30 – 11:30am. Each offers a children's area in the sanctuary where children can enjoy quiet activities while experiencing the words, music, and rituals of our faith. Childcare is also available.

Children's Morning Programming at Hastings

About once each month, 10:30 – 11:30am, the Hastings congregation offers Children's Chapels with worship designed especially for children, and community building activities led by high school youth and adults.

During the winter months when there is a break from sports, children participate in elementary Our Whole Lives classes, which offer age-appropriate information about bodies, safety, and self-image, grounded in the values of self-worth, health, responsibility, and justice. Activities for children and parents to do at home help foster open communication.

Children's Morning Programming at Mt. Kisco

Several Sunday mornings throughout the year, the Mt. Kisco congregation sings children from the 10:30am worship service to their classes. Younger elementary children participate in the Free to Believe class where they learn to appreciate that people hold many beliefs. Older elementary children participate in the Religion and Faith class where they learn about religions and spiritual practices of the world and explore deep questions about religion and faith.
